

REHABILITATION: REGAIN STRENGTH, STAMINA, AND INDEPENDENCE

Rehabilitation is a team effort.

Our dedicated team of physicians, nurses, social workers, and therapists work closely with you and your family to develop a customized rehabilitation program.

Work one-on-one with physical, occupational, respiratory, and speech therapists in our state-of-the-art rehabilitation gym. Our goal is to help you create a stronger, healthier future by equipping you with the strength and skills to manage your condition and care for yourself.

Our therapy services are offered 7 days a week.

Rehabilitation may include:

- Medical treatment with our physicians
- Mobility & physical therapy
- Building independence
- Occupational therapy and skills of independent living
- Speech therapy and language skills
- Personal care with a social worker
